MANUFACTURER'S CERTIFICATE

(This document is not required by an import regulation, it is voluntarily issued)

Ermelo/The Netherlands (Actual date)

We confirm that the moulded Presswood particle board pallets used in this consignment by our client or distributed via our reseller

company
address
city, country

are manufactured, in the same way as particle board. After drying the wood particles to a moisture content of only 4%, follows a moulding process using pressure heat and glue. These processes can not be survived by any plant pest.

Therefore these pallets are **entirely composed of manufactured wood** according to the international guidelines for phytosanitary measures IPPC-ISPM15

We confirm that these moulded pallets are particleboard. WPM which is not regulated by MAFF Notification No. 1352. These pallets are of heat processed wood, so they are considered as sufficiently processed and totally free from any plant pests according IPPC-ISPM15!
