MINISTRY of AGRICULTURE and FORESTRY)

## MANUFACTURER'S CERTIFICATE

(This document is not required by an import regulation, it is voluntarily issued)

Ermelo/ The Netherlands 2005-11-02

We confirm that the molded Presswood particle board pallets destined to be exported to the  
**REPUBLIC of the PHILIPPINES** by our client/ distributed via our reseller

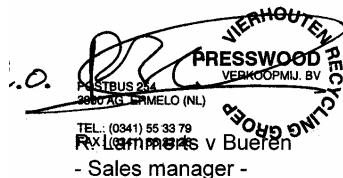

... ..  
... ..  
... ..

are manufactured, in the same way as particle board. After drying the wood at 300 F degrees to a moisture content of only 4 % , it is molded in addition with synthetical binder under a pressure of approx. 1300 psi and 400 F degrees. This molding process can not be survived by any living plant pests.

Therefore these pallets are **entirely composed of manufactured wood** according to the international guidelines for phytosanitary measures IPPC-ISPM15

**We confirm that these moulded particleboard pallets are heat processed, so they are considered as sufficiently processed according to Draft "Implementing guidelines for regulating wood packing material in international trade", Art.2. Coverage**

**and totally free from any plant pests according FAO-IPPC-ISPM15!**
